| OPD Task Force – Members and Their Function Within the OPD Task Force | XIII |
| <hr/> | |
| 1 Introduction and Theoretical Background | 1 |
| 1.1 Previous Approaches to the Operationalization of Psychodynamic Constructs | 3 |
| 1.2 The Concept of Operationalized Psychodynamic Diagnosis (OPD) | 7 |
| 1.3 Empirical Foundation of the OPD | 8 |
| 1.3.1 OPD Questionnaires | 13 |
| The OPD Conflict Questionnaire (OPD-KF) | 13 |
| The OPD Structure Questionnaire (OPD-SF) | 14 |
| 1.4 What Is New in the OPD-3 | 15 |
| 1.5 Conclusion | 16 |
| <hr/> | |
| 2 Axis I: Mental Disorders, Experience of Illness, and Prerequisites for Treatment | 17 |
| 2.1 Summarized Presentation of Axis I | 17 |
| 2.2 Introduction to Axis I | 18 |
| 2.3 Classification: Mental and Behavioral Disorders | 19 |
| 2.4 Objectifying Severity of the Disorder | 19 |
| 2.4.1 Global Severity of the Disorder | 19 |
| 2.4.2 Global Assessment of Psychosocial Functioning and Mental Symptoms (GAF) | 21 |
| 2.4.3 EQ-5D Modified: Physical Limitations in Essential/Crucial Areas of Life | 21 |
| 2.5 Duration and Course of the Disorder | 23 |
| 2.5.1 Duration of the Treatment-Requiring Mental Disorder (Main Diagnosis) | 23 |
| 2.5.2 Course of the Disorder | 25 |
| 2.6 Subjective Illness Concepts | 25 |
| 2.6.1 Somatic Illness Concept | 26 |
| 2.6.2 External Attribution | 27 |
| Alternative Disease Concepts | 28 |

| | | |
|----------|--|-----------|
| 2.6.3 | Intrapsychic Disease Concept | 28 |
| 2.7 | Change and Treatment Concepts | 30 |
| 2.7.1 | Somatic Change/Treatment Concept | 31 |
| 2.7.2 | External- Social Change/Treatment Concept | 32 |
| 2.7.3 | External-Alternative Change/Treatment Concept | 33 |
| 2.7.4 | Psychotherapeutic Change/Treatment Concept | 34 |
| 2.8 | Resources and Impediments for Change | 35 |
| 2.8.1 | Change Resources | 35 |
| | Burden of Suffering | 35 |
| | Coping Resources | 37 |
| | Psychosocial Support | 38 |
| | Openness | 39 |
| 2.8.2 | Change and Impediments to Treatment | 41 |
| | External Change and Impediments to Treatment | 41 |
| | Inner Change and Impediments to Treatment | 43 |
| | Secondary (Social) Gain as a Problem-Maintaining Condition | 44 |
| 2.9 | Psychotherapy: Change Strategies and Goals | 44 |
| 2.9.1 | Symptom Reduction | 46 |
| 2.9.2 | Reflection and Clarification | 47 |
| 2.9.3 | Emotional Support | 48 |
| 2.9.4 | Active Guidance | 48 |
| 2.10 | OPD-3 Rating Sheet Axis I | 50 |
| <hr/> | | |
| 3 | Axis II: Interpersonal Relations | 53 |
| 3.1 | Summarized Presentation of Axis II | 53 |
| 3.2 | The Central Importance of Relationship Experiences | 54 |
| 3.2.1 | Relationship Experiences and Their Intrapsychic Organization | 55 |
| 3.2.2 | Interpersonal Manifestation of Intrapsychic Conflicts and Structural Components | 56 |
| 3.2.3 | Diagnosing Transference Patterns | 57 |
| 3.2.4 | The Relationship Between Transference and Scenic (Re-)Enactment | 58 |
| 3.2.5 | Theoretical and Empirical Roots of the Interpersonal Relations Axis (Axis II) | 58 |
| 3.3 | Relationship Diagnostics in OPD | 60 |
| 3.3.1 | The Assessment Procedure | 61 |
| | The Experiential Perspectives | 61 |
| | The Interpersonal Perspectives | 63 |
| | The Item List | 64 |
| | The Circumplex Model | 64 |
| | Relational Dynamic Formulation | 67 |
| 3.3.2 | Clinical Case Example | 71 |
| 3.3.3 | Clinical Experiences With the OPD-2 Interpersonal Relations Axis (Axis II) | 72 |

| | | |
|----------|---|-----------|
| 4 | Axis III: Conflict | 73 |
| 4.1 | Summarized Presentation of Axis III | 73 |
| 4.2 | What Are Conflicts? | 74 |
| 4.2.1 | The Unconscious | 75 |
| 4.2.2 | From Drive to Motivation | 77 |
| 4.2.3 | Motivation, Emotion, Regulation, and Conflict | 80 |
| 4.2.4 | Psychodynamic Conflicts | 82 |
| 4.2.5 | Conflict and Diagnosis | 83 |
| 4.3 | Conflicts in OPD: From Integrated Motivational Systems via Conflict Tensions to Neurotic Conflicts and Conflictual-Motivational Schemas | 84 |
| 4.3.1 | Central Characteristics of Conflict Themes | 84 |
| 4.3.2 | Conflict Dynamics | 85 |
| 4.3.3 | C1 Dependency vs. Individuation | 87 |
| | Key Characteristics of the Neurotic Conflict Dependency vs. Individuation | 88 |
| | Manifestations of the Dependency vs. Individuation Conflict (C1) at Different Levels of Structural Integration | 90 |
| | Differential Diagnosis of the Dynamics of the Dependency vs. Individuation Conflict | 92 |
| | Case Vignettes | 92 |
| 4.3.4 | C2 Submission vs. Control | 94 |
| | Key Characteristics of the Neurotic Conflict Submission vs. Control | 94 |
| | Manifestations of the Submission vs. Control Conflict (C2) at Different Levels of Structural Integration | 96 |
| | Differential Diagnosis of Conflict Dynamics Self-Efficacy vs. Self-Worth Experience | 98 |
| | Case Vignettes | 98 |
| 4.3.5 | C3 In Need of Care vs. Self-Sufficiency | 100 |
| | Key Characteristics of the Neurotic Conflict Between In Need of Care vs. Self-Sufficiency | 101 |
| | Manifestations of the In Need of Care vs. Self-Sufficiency Conflict at Different Levels of Structural Integration | 102 |
| | Differential Diagnosis of the In Need of Care vs. Self-Sufficiency Conflict Dynamic | 105 |
| | Case Vignettes | 106 |
| 4.3.6 | C4 Self-Worth Conflict (Self-Worth vs. Object-Worth) | 107 |
| | Key Characteristics of the Neurotic Conflict Self-Worth vs. Object-Worth | 108 |
| | Manifestations of the Self-Worth vs. Object-Worth Conflict at Different Levels of Structural Integration | 109 |
| | Differential Diagnosis of Self-Esteem Conflict Dynamics in Relation to All Other Conflicts | 110 |
| | Case Vignettes | 110 |
| 4.3.7 | C5 Guilt Conflict (Prosocial vs. Egoistic Tendencies) | 113 |
| | Key Characteristics of the Neurotic Conflict Guilt | 114 |
| | Manifestations of the Conflict Guilt at Different Levels of Structural Integration | 115 |

| | | |
|----------|---|------------|
| | Differential Diagnosis of Conflict Dynamics Between Guilt and Other Conflicts | 116 |
| | Case Vignettes | 118 |
| 4.3.8 | C6 Oedipal Conflict | 118 |
| | Key Characteristics of the Neurotic Oedipal Conflict | 119 |
| | Manifestations of the Oedipal Conflict at Different Levels of Structural Integration | 121 |
| | Differential Diagnosis of Oedipal Conflict Dynamics vs. Self-Esteem Experience | 124 |
| | Case Vignettes | 124 |
| 4.3.9 | C7 Identity Conflict | 126 |
| | Key Characteristics of the Neurotic Identity Conflict | 128 |
| | Manifestations of the Identity Conflict (and Identity Dissonance) at Different Levels of Structural Integration | 129 |
| | Differential Diagnosis of Conflict Dynamics Identity to Other Conflicts | 131 |
| | Case Vignettes | 131 |
| 4.3.10 | C0 Repressed Conflict and Emotion Awareness | 133 |
| | Key Characteristics of the Repressed Conflict and Emotion Awareness | 134 |
| | Manifestations of the Repressed Conflict and Emotion Awareness at Different Levels of Structural Integration | 135 |
| | Case Vignette | 136 |
| 4.3.11 | The OPD Conflict Rating Sheet | 137 |
| 4.4 | Proposed for Further Research: Dilemma and Conflict | 137 |
| 4.4.1 | C1 Dependency vs. Individuation as a Dilemma | 139 |
| 4.4.2 | C2 Submission vs. Control as a Dilemma | 140 |
| 4.4.3 | C3 In Need of Care vs. Self-Sufficiency | 140 |
| 4.4.4 | C4 Self-Worth Conflict as a Dilemma | 141 |
| 4.4.5 | C5 Guilt Conflict as a Dilemma | 141 |
| 4.4.6 | C6 Oedipal Conflict as a Dilemma | 141 |
| 4.4.7 | C7 Identity Conflict as a Dilemma | 143 |
| 5 | Axis IV: Structure | 145 |
| 5.1 | Summarized Presentation of Axis IV | 145 |
| 5.2 | What Is Structure? | 145 |
| 5.2.1 | Definition | 145 |
| 5.2.2 | Structure and Current Trends in Classification and Research | 146 |
| 5.2.3 | The Concept of Structure in General | 147 |
| 5.2.4 | The Psychological Concept of Structure | 147 |
| 5.2.5 | The Psychoanalytic Concept of Structure | 148 |
| 5.2.6 | The Developmental Psychology of Structure | 149 |
| 5.3 | Empirical Approaches to Measuring Structure | 150 |
| 5.4 | Operationalization of Structure in the OPD | 152 |
| 5.5 | Diagnostic Procedure | 155 |

| | | |
|----------|---|------------|
| 5.5.1 | The Diagnostic Material | 155 |
| 5.5.2 | The Time Window | 156 |
| 5.5.3 | Assessing the Variability of Structure | 157 |
| 5.5.4 | Levels of Integration of Structure | 160 |
| 5.5.5 | The Rating | 162 |
| 5.5.6 | Operationalization of the Structure Facets | 162 |
| 5.6 | Rating Sheet Structure Axis (Axis IV) | 192 |
| <hr/> | | |
| 6 | Interplay of Axes and Individual Psychodynamics | 195 |
| 6.1 | Basic Considerations | 195 |
| 6.2 | Process of Gathering and Integrating Diagnostic Material | 195 |
| 6.3 | The Relationship Between the Axes | 196 |
| 6.3.1 | Conflict and Structure (Relationship of Axes III and IV) | 196 |
| 6.3.2 | On Coping With Conflict and Structure in Relationship Patterns (Connections to Axis II) | 198 |
| 6.3.3 | Pathways of Symptom Formation (Connections to ICD and DSM) | 199 |
| 6.3.4 | Mental Disorders, Experience of Illness, and Prerequisites for Treatment (Connections to Axis I) | 201 |
| <hr/> | | |
| 7 | The OPD Interview | 203 |
| 7.1 | Theory of the Psychodynamic Interview | 203 |
| 7.2 | Conducting the OPD Interview | 207 |
| 7.2.1 | Preconditions | 207 |
| 7.2.2 | Principles | 208 |
| 7.2.3 | Interview Process | 209 |
| | The Opening Phase | 210 |
| | Relationship Episodes and Object Experience | 211 |
| | Experience of Sexuality and the Body | 213 |
| | A Typical Dream | 214 |
| | Childhood and Primary Family | 214 |
| | Worst Experience | 215 |
| | Self-Perception, Self-Experience, and Emotions | 215 |
| | Motivation for Psychotherapy and Preconditions | 216 |
| 7.3 | Excursus: Diagnostic Assessment of Mental and Psychosomatic Disorders | 217 |
| <hr/> | | |
| 8 | Focus Formulation and Therapy Planning | 219 |
| 8.1 | Treatment Indication Based on OPD Axis I | 219 |
| 8.2 | Focus Formulation Based on OPD Axes II–IV | 221 |
| 8.2.1 | Relationship | 221 |
| 8.2.2 | Conflict | 222 |

| | | |
|-----------|--|------------|
| 8.2.3 | Structure | 222 |
| 8.3 | Principles of Focus Selection and Composition | 223 |
| 8.4 | Therapy Planning and Therapeutic Goal Setting | 224 |
| 8.4.1 | Predominantly Conflict-Related Disorder | 225 |
| 8.4.2 | Predominantly Structure-Related Disorder | 227 |
| | Structure-Stabilizing Therapy Strategies | 227 |
| | Structure-Dynamic Therapy Strategies | 229 |
| <hr/> | | |
| 9 | Measuring Change With OPD | 231 |
| 9.1 | The Heidelberg Restructuring Scale (HUS) | 231 |
| 9.2 | OPD Questionnaires for Measuring Change? | 234 |
| <hr/> | | |
| 10 | Further Fields of Application of OPD | 235 |
| 10.1 | OPD in Different Clinical Settings | 235 |
| 10.1.1 | OPD in Inpatient Psychosomatics | 235 |
| 10.1.2 | OPD in Psychosomatic Rehabilitation Treatment | 236 |
| 10.1.3 | OPD in Assessment in Psychosomatic Medicine and Psychotherapy and in Legal Contexts | 237 |
| 10.1.4 | OPD in Group Therapy | 239 |
| | Axis-III-G: Conflictual Group Theme | 240 |
| | Axis-IV-G: Structure of the Group as a Whole | 241 |
| | Case Vignette | 244 |
| 10.1.5 | OPD in Couple and Family Therapy | 244 |
| | Conflict Diagnostics | 244 |
| | Structural Diagnostics | 246 |
| 10.1.6 | The Addiction Module | 248 |
| 10.1.7 | OPD in Forensic Psychiatry | 249 |
| | Approaches for the OPD Forensic Module | 249 |
| 10.1.8 | OPD and Trauma-Related Disorders | 250 |
| 10.2 | OPD in Quality Assurance | 252 |
| 10.2.1 | OPD in the Expert Review Procedure of Guideline-Based Psychotherapy | 252 |
| 10.2.2 | The Quality Assurance Project QPP | 253 |
| 10.3 | OPD in Human Resources | 255 |
| <hr/> | | |
| 11 | Training in OPD | 257 |
| 11.1 | OPD Training Seminars | 257 |
| 11.1.1 | Structure of OPD Training | 257 |
| | Content Focuses of Training | 258 |
| 11.1.2 | Certification | 259 |
| 11.1.3 | Previous Experience With OPD Training | 259 |
| | Training Centers | 259 |

| | |
|--|-----|
| Appendix A | 261 |
| Relationship Item Checklist: Description of All Items on the Interpersonal Relations Axis (Axis II) Across All Levels of Expression | 261 |
| <hr/> | |
| Appendix B | 269 |
| Manifestations of Neurotic Conflicts in Different Areas of Life | 269 |
| C1: Dependency vs. Individuation in the Areas of Life | 270 |
| C2: Submission vs. Control in the Areas of Life | 272 |
| C3: In Need of Care vs. Self-Sufficiency in the Areas of Life | 274 |
| C4: Self-Worth Conflict in the Areas of Life | 276 |
| C5: Guilt Conflict in the Areas of Life | 278 |
| C6: Oedipal Conflict in the Areas of Life | 280 |
| C7: Identity Conflict in the Areas of Life | 282 |
| C0: Repressed Conflict and Emotion Awareness | 284 |
| <hr/> | |
| Appendix C | 285 |
| Short Checklist for Axis IV Structure | 285 |
| <hr/> | |
| Online Material | 319 |
