### **Declaration of Originality**

I/we hereby declare that the submission is a first publication, and the manuscript is the intellectual property of the author(s). The author(s) holds all copyright and confirms that the content of the submission doesn't infringe in any way on the rights of third parties.

Furthermore I/we assure that neither the whole manuscript nor parts of it have been published or have been submitted to other journals.

For parts of the manuscript that are contained in other publications, I/we enclose the corresponding work; this also applies to publications in foreign languages. During the assessment period I/we will not submit the manuscript to any other journals.

The author agrees on behalf of him-/herself and any coauthors, upon approval of the article for publication, to transfer to the publisher the exclusive right to reproduce and distribute the article and its contents, both physically and in non-physical, electronic, or other form, in the journal to which it has been submitted and in other independent publications, with no limitations on the number of copies or on the form or the extent of distribution. These rights are transferred for the duration of copyright as defined by international law.

I hereby confirm that I have read and understood the declaration.
