

Call for Papers

Seeking quality submissions for our upcoming issues & Call for Guest Editors for special issues

GeroPsych is a leading international journal that provides an interdisciplinary forum for the rapidly growing field of ageing research by publishing peer-reviewed, original contributions addressing the biological, psychological, behavioural, social, and cultural aspects of ageing.

Why submit to *GeroPsych*?

- Reach a multidisciplinary readership in gerontology, geropsychology, and geriatric psychiatry.
- Showcase work that emphasises methodological rigour, practical relevance, and theoretical innovation.
- Join a journal committed to advancing understanding of ageing in its many dimensions, from optimal development to pathology.
- Opportunity for your work to contribute to a rapidly evolving field.
- Journal Impact Factor 2024: 1.0 (5-year Impact Factor: 1.1)
- Listed in: Emerging Sources Citation Index (ESCI), PsycArticles, PsycINFO, Scopus, EMBASE

Submission information for articles for regular issues

We welcome submissions of the following article types:

- Full Research Reports – empirical or quasi-experimental studies (up to 8,000 words)
- Short Research Reports – single-study papers (up to 4,000 words)
- Clinical Case Reports – innovative interventions or clinical observations
- Reviews / Theoretical Articles / Meta-Analyses – integrative or conceptual work (up to 6,000 words)
- Perspectives – reflective or practice-oriented contributions (up to 6,000 words)

Manuscripts must follow the APA 7th edition style and be submitted via the online submission portal: <https://www.editorialmanager.com/geropsych>

Visit the journal website at www.hgf.io/gro and follow the [submission guidelines \(PDF\)](#).

Submission information for Guest Editors for Special Issues

Please submit a proposal (approximately 500 words) on a focused topic you would like to propose, along with approximately ten potential invited authors, time-frame and dissemination opportunities to the Managing Editor Vita Postuvan (vita.postuvan@upr.si). The selection process will follow.

We look forward to receiving your contributions.

Sincerely,

The Editors

GeroPsych – The Journal of Gerontopsychology and Geriatric Psychiatry
