

Open Access Release

Transformative Agreement with Institutions in Germany

As part of a transformative agreement, authors of participating institutions are eligible to publish their articles open access in the PsyJOURNALS portfolio of Hogrefe Publishing Group. For you as a “Corresponding Author” this means that you do not have to pay an APC (article publication charge) yourself, if you are publishing at one of the participating institutions. [Here](#) you will find further information and the list of participating institutions. For information on how we process your personal data, see the following [link](#).

Your manuscript has been accepted and is an authorized article in terms of the above agreement (“original article”). Please complete this form.

Note: You can fill out this form on your computer and then print it out to sign it.
